

# Kathy Prest sculpture

## EDUCATION

2001

Attended Jill Berelowitz studio in north London. Here I learnt to sculpt with plaster, which enabled me to abstract the figure. This inspired me to produce a body of contemporary work.

1996

Attended classical sculpture class with Frances Segelman, moulding in clay. Being mainly self-taught I developed my knowledge using anatomy books.

## EXPERIENCE

2002 - To present. Teaching sculpture at All Saints Art Centre, 122 Oakleigh Road North London N20 9EZ

2007 - To present. Teaching sculpture at Artshed, Westmill Farm, Ware, Hertfordshire
